

# Milwaukee By The Numbers

2023-24 School Year

**CITY FORWARD**  
COLLECTIVE

## 110,882 Publicly Funded Students

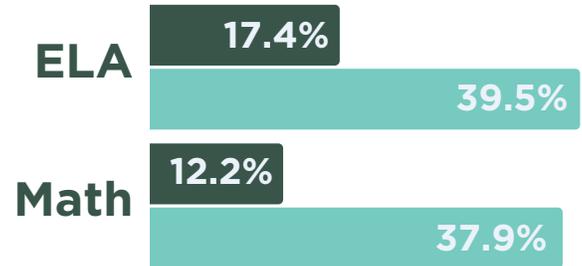

Nearly half of Milwaukee students attend a school not operated by MPS.

- 136 Milwaukee Public Schools (MPS)
- 34 Public Charter Schools
- 91 Private Schools
- Public schools outside Milwaukee

## Citywide Student Proficiency

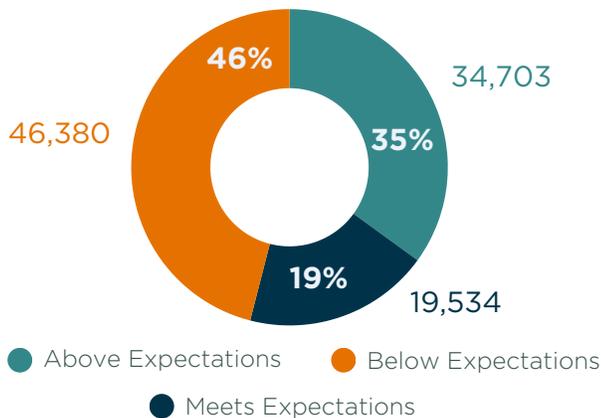

15,000 more students need to reach proficiency for Milwaukee to reach the state average.

- Milwaukee Average
- Wisconsin Average

## Students in High-Quality Schools

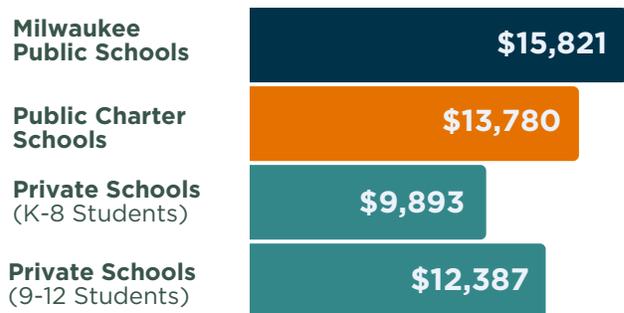

Nearly half of students are enrolled in schools that perform below expectations when proficiency and growth are equally rated.

- Above Expectations
- Below Expectations
- Meets Expectations

## 2023-24 Per-Pupil Core Funding

Milwaukee charter and private school students still receive thousands of dollars less in state & local funding than their district peers.

\* Does not include state or federal categorical aids e.g. special education
